On November 9, 2018 our students were treated to an extraordinary experience of music and spirituality. The positive energy of the evening was exhilarating. We were so proud to be able to bring this experience to our school and have our students embrace it so genuinely.

All of the members of the Array of Hope team were warm, friendly and helpful throughout the process. The performers were absolutely inspirational. The music was uplifting and, of course, the message was perfect. Our students were thrilled to attend; we cannot thank Array of Hope enough for bringing their talents to Maria Regina High School.
